Oahu

This morning you depart on a historic journey from the site of the attack on Pearl Harbor to the signing of the Japanese surrender on the USS Missouri. Next, explore the USS Missouri, the last battleship built by the US Navy, which served from World War II through Desert Storm. Your final stop is the Pacific Aviation Museum to see and learn about the many types of planes involved in the attack. After this poignant experience, take a city tour of Honolulu highlighting the historic Iolani Palace, the impressive state Capitol building, and the moving National Cemetery of the Pacific, known as the Punchbowl.
